Sir:

**STATUS REQUEST**

Assignee respectfully requests a report on the status of the above-identified patent application. The last transaction recorded in public PAIR for this application occurred on March 21, 2006, where the case was docketed to an Examiner in a GAU. Immediately preceding that last entry, the PTO mailed a Notice of Informal or Non-Responsive Amendment on January 9, 2006 to the correspondence address currently in PAIR. We have since taken over prosecution of this application and therefore enclose an executed Power of Attorney and a Statement under 37 CFR 3.73(b) to support this change of power. It would be appreciated if the Examiner would inform the undersigned of any action pending.

Respectfully submitted,
